Introduction

Orlando specialises in creating wedding flowers that are innovative and reflect the individuality and flair of the bride and groom. If you would like an intimate wedding or you would like to create a lavish reception, Orlando can help create your vision.

Wedding Appointments

We generally see our prospective brides on a Tuesday and Thursday with our last appointment at 6.00pm so you can come after work, alternatively another day can be arranged. The appointment takes approximately an hour depending on the detail and size of the wedding.

Please bring your notes and any magazine clippings/dress fabrics with you so we get a clear idea of your concept and style needed for your special occasion.

Our consultations are complimentary.

This price list is current until the 30th of April **2018**, all bookings made before this date will be honoured at the **2017 - 2018** prices.
